

## Cayce promotes Alive at 25

**Contributed by The City of Cayce**

The City of Cayce is continuing its efforts with the recently implemented Traffic Speed Enforcement Unit. One of the unit's recent accomplishments was sending its officers to the "Alive at 25" course. The officers received their certification and are now qualified as instructors for the class.

"Alive at 25" is designed to teach young drivers to be aware of many of the typical driving hazards facing young motorists. One statistic reported on the webpage states that "Traffic crashes are the leading cause of teen fatalities, accounting for 44% of teen deaths in the U.S." [www.scaliveat25.org](http://www.scaliveat25.org).

If your group or organization is located within the City of Cayce and you would like to arrange a presentation by one of the Traffic Officers, please contact Sergeant Dean Rucker by email at [DRucker@cityofcayce-sc.gov](mailto:DRucker@cityofcayce-sc.gov) or by phone at 803-739-0684.
